DETAILED ACTION

Status of Claims

1. Claims 21-28 are pending in this application. Claims 1-20 have been cancelled. This action is in response to the applicants' after final amendment filed on August 19, 2008.

Withdrawn Rejections/Objections:

2. Applicant is notified that any outstanding rejection/objection that is not expressly maintained in this office action has been withdrawn or rendered moot in view of applicant's amendments and/or remarks.

Examiner's Amendment

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with J. Eric Thies on October 6, 2008. The application has been amended as follows:

a) Insertion of the words, "of Claim 1," into Claim 26 between the words "compound" and "which" in the first line of the claim.

b) Deletion of the terms, "4,2'-difluoro-5'-(7-methyl-8-oxo-7, 8-dihydroimidazo[1,2-d][1,2,4]triazin-3-yl)biphenyl-2-carbonitrile;

3'-(1-methyl-6-oxo-1,6-dihydropurin-9-yl)biphenyl-2-carbonitrile;" from the end of Claim 26.

Reasons for Allowance

4. The following is an examiner's statement of reasons for allowance:

Claims 2-12 and 49-54 are free of the prior art. The closest prior art is Treiber et. al., DE 4329970. Treiber, et. al., does not contain a Z group which is a substituted aryl or heteroaryl group such as that seen in the current application. The Treiber publication also contains a phenyl ring fused to the pyrazine ring, which is not taught or fairly suggested in the current claims of the instant application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee, and to avoid delays, should preferably accompany the issue fee. Such submissions should clearly be labeled "Comments on the Statements of Reasons for Allowance".

Conclusion

5. Claims 21-28 are allowed.
